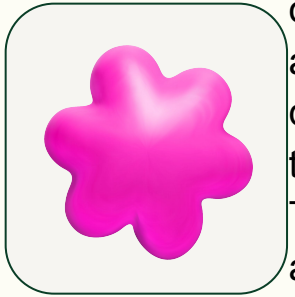
List of Tickets
Ticket #124
Price: 100.0
Class: First
Date: 2026-06-10
---------- Staff Menu ----------
   1. Add Staff
   2. View Staff
   3. View Passenger Tickets
   4. Delete Passenger Ticket
   5. Airline Information
   6. Schedule Menu
   7. Airline Menu
   8. Return to Main Menu
Enter your choice:
```



This screen shows the process of deleting a passenger ticket from the system. The user selects the delete option and enters a ticket number, after which a confirmation message is displayed. The system then updates the ticket list to reflect the removal. This ensures that ticket records stay accurate and up to date.
