

Welcome the Eduardo Airline Management System! To use the program, you need to select one of the following options: "Passenger Menu", "Staff Menu", or "Admin Menu". To quit, simply select the quit button.

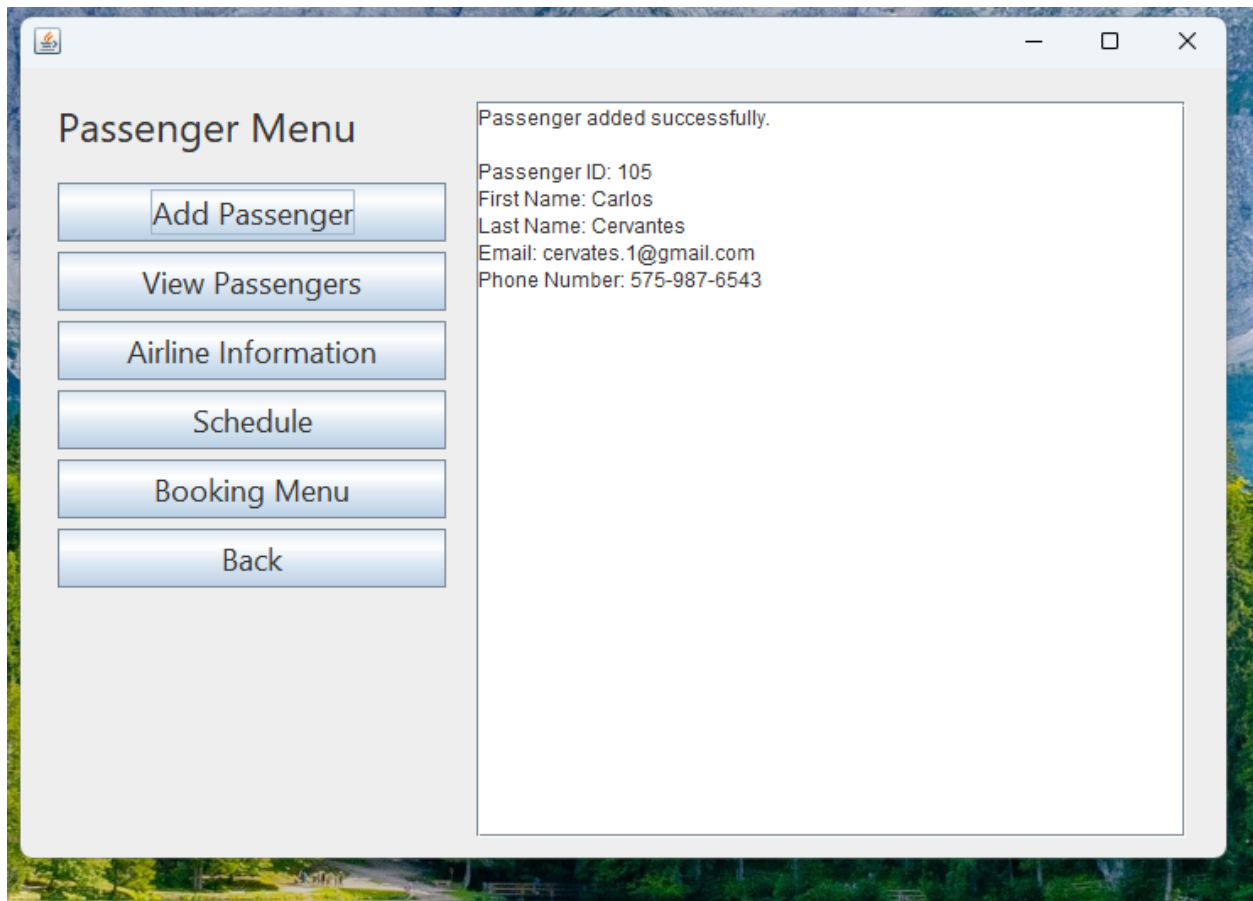

When the “Passenger Menu” is selected, the Passenger Menu will appear. You have six options which include: “Add Passenger”, “View Passenger”, “Airline Information”, “Schedule”, “Booking Menu”, and “Back”.

The image displays three sequential input dialog boxes, each titled "Input" with a close button (X) in the top right corner. Each dialog box contains a green square icon with a white question mark, a label, a text input field, and "OK" and "Cancel" buttons at the bottom.

- The first dialog box is labeled "Enter phone number:" and the input field contains the text "575-987-6543".
- The second dialog box is labeled "Enter first name:" and the input field contains the text "Carlos".
- The third dialog box is labeled "Enter last name:" and the input field contains the text "Cervantes".

Below these, a fourth dialog box is shown, labeled "Enter email:", with the input field containing the text "cervates.1@gmail.com".

If selecting “Add Passenger”, the user will be prompted to enter their first and last name, email, and phone number.

If the passenger was successfully added, the program will display a message verifying the successful add and all relevant information.
